**JUNETEENTH**  
Celebrate Freedom

A holiday celebrated on June 19 to commemorate the emancipation of enslaved people in the US. The holiday was first celebrated in Texas, where on that date in 1865, in the aftermath of the Civil War, enslaved people were declared free under the terms of the 1862 Emancipation Proclamation.

### Message From Our Executive Director - Angie Gilbert

Dear Residents, Families, and Associates, Welcome back to Summer in New England! This month, we happily celebrate the patriarchs of the family nucleus. Happy Father's Day to all the incredible fathers, grandfathers, and selfless father figures in our lives! We salute your quiet strength, admire your support and are exceptionally grateful for your unwavering love and protection. Thank you, dads, for everything, every day! Additionally, as we dive into June, we are also celebrating and uplifting our LGBTQIA community and commemorating the end of slavery in the United States on Juneteenth! What a joyous and powerful month. I hope each of you have an opportunity to partake in a community event, visit a museum or cultural site. Have a wonderful month!

June is dedicated to raising awareness about men's mental health and the unique challenges they face. This month emphasizes the importance of mental health care, encourages open conversations about mental well-being, and promotes seeking help without stigma, aiming to improve overall mental health for men.

This Easter, PH residents, their families, staff, and members of the community came together to celebrate in a joyful and memorable way. The event featured a variety of engaging activities, including an Easter egg hunt, a special residents' birthday celebration, and a lively concert. It was a heartwarming occasion that brought everyone together to share in the spirit of the season.

This year's Cinco de Mayo celebration was a vibrant and festive occasion, honored in true Mexican style. The event featured an array of traditional elements, including authentic cuisine, lively music, colorful decorations, and a classic piñata, all of which reflected the rich cultural heritage of Mexico. The traditional colors—green, white, and red—were proudly displayed, symbolizing the pride and spirit of the Mexican people. It was a joyful celebration that brought everyone together in appreciation of culture, community, and tradition.

"Residents, staff, and family members gathered for a memorial service to honor and remember loved ones who passed away this year."

The speaker captivated the audience with insightful commentary, thought-provoking analysis, and a deep appreciation for the cultural and intellectual value of literature. This presentation not only deepened our understanding of literary traditions but also inspired meaningful dialogue within our community.

Music is indeed food for the soul, and this event reminded us of its incredible power to connect, heal, and inspire. We extend our sincere thanks to *Music With Heart* for sharing their time and talent with us.

In celebration of Mother's Day, all our female residents at PH were honored with a beautiful bouquet of flowers and a heartfelt card, as a token of our appreciation and gratitude.

Beechwood residents made their personal size pizzas.

Beechwood residents enjoyed a delightful day at Castle Island, featuring sightseeing, a scenic walk along the beach, and a relaxing lunch at Sullivan's. And sitting in the courtyard.

"Today, we delve into the art of gemstone craftsmanship and painting, exploring the intricate beauty and skill behind these timeless creative expressions."

Engaging in music and movement in different ways is always a highlight for our Beechwood residents. These activities not only bring joy and energy to our days but also encourage residents to connect, collaborate, and have fun together. Whether it's a dance session, rhythm games, or sing-alongs, music and movement continue to uplift spirits and foster a strong sense of community.
