Carnival in the Caribbean is a longstanding tradition rooted in **Black rebellion**. In 18th-century Trinidad, enslaved Africans who were not allowed to participate in the pre-Lenten traditions of masquerade balls by European colonizers created their own celebrations of defiance.

August 2024

Message From Our Executive Director - Tom Karnes

Civility Awareness Month

People being civil with each other makes the world a much better place and is the key focus of National Civility Month, which is held in August each year. This observance was founded to help the world remember to treat others the way we wish to be treated - with kindness, empathy, and respect. Let's all commit to being more mindful to treat one another the way we would like to be treated. Another advantage of this approach is that it makes it easier to endure the hot and humid August weather!
