In terms of authenticity, Kwanzaa is modeled on first-fruits celebrations in ancient Africa, especially on Southern African first-fruits celebrations like Umkhosi of Zululand which has seven days. The central reason for Kwanzaa's being seven days is to stress the Nguzo Saba and through this, introduce and reaffirm communitarian values and practices which strengthen and celebrate family, community, and culture.

December 2024

Message From Our Executive Director - Angie Gilbert

The month of December brings us to a time of great reflection and celebration. Most of us spend time reflecting on the past year, while some of us are focused on the preparation involving upcoming celebrations with our families, friends and faithful circles. Whether it's unwinding memories of the wins and losses, the happy or sad memories from this year, we should all be proud of our accomplishments and our willingness to put our best foot forward. However you choose to spend your last month of the year, I wish you all happy, safe and healthy Holidays!
