Observed annually in August, National Black Business Month highlights the contributions, resilience, and economic impact of over 3 million Black-owned businesses across the U.S. The initiative was established in 2004 to empower Black entrepreneurs and drive policy changes addressing systemic disparities.

Our residents enjoyed a fun and active morning with chair exercises using hand weights, followed by an exciting game of Jeopardy. The activities promoted physical wellness, cognitive stimulation, teamwork, and plenty of smiles.

Our residents enjoyed a day filled with creativity during Arts & Crafts! In the morning, Providence House and Brighton House residents came together for a special collaboration, creating beautiful floral arrangements while sharing conversation, laughter, and new friendships. In the afternoon, residents continued the fun by designing unique velvet art baseball caps, adding their own personal style and creativity to each piece. These engaging activities encouraged self-expression, social connection, and left everyone with beautiful keepsakes and lasting memories.

Providence House proudly celebrated our dedicated Resident Assistant team during CNA Week. We are grateful for their compassion, commitment, and the exceptional care they provide to our residents each day. Thank you for making a meaningful difference in the lives of those we serve—we appreciate all that you do!

Our residents enjoyed a wonderful afternoon together during a lunch outing to a local Asian buffet, where they shared delicious food, laughter, and great conversation. Following lunch, they treated themselves to relaxing manicures, making the day both enjoyable and refreshing. These special outings provide meaningful opportunities for social connection, relaxation, and creating lasting memories together.

Beechwood residents enjoyed a wonderful day filled with laughter, friendly competition, and great company. The day featured exciting games of bowling, cornhole, and bingo, giving everyone the opportunity to stay active, connect with friends, and enjoy some lighthearted fun. From cheering each other on to celebrating lucky bingo wins, it was a joyful day filled with smiles and wonderful memories.

Our Memory Care residents enjoyed a sensory-baking activity as they made delicious muffins together. The familiar aromas, hands-on mixing, and shared experience encouraged engagement, sparked memories, and brought smiles to everyone involved.

The Beechwood residents enjoyed a heartwarming pet visit filled with smiles, laughter, and meaningful companionship. Spending time with the friendly animals brought comfort, encouraged conversation, and created joyful moments for everyone involved.
